

*Adair County Young Farmers
would like to invite you to
Northeast Missouri
“Where Agricultural Diversity is Common Place”*

August 3 - 5, 2008 in Kirksville, MO.

Westerns Smokehouse- Since opening in 1978 Westerns has become an icon in Northeast Missouri supplying the finest hickory smoked and fresh meats possible. Services now include a retail store, mail order, catering, fundraiser, and private labeling.

Eric Davis Farm-Visit a brand new hog feeding facility in a contract feeding agreement.

Truman State Farm-Truman State University has operated a farm since 1910. The current facility has a 40acre orchard, a vineyard, equine breeding and riding program, beef herd, as well as corn, soybeans, and forages.

Depot Inn and Train Museum-La Plata Missouri is home to a blossoming train tourist destination. With an 1800's themed hotel, an operating Amtrak station, a train museum, and more.

Missouri Department of Conservation-Kirksville is home to the North East Region Headquarters of Missouri Dept. of Conservation. The new facilities were designed with cutting edge energy conservation technology. The facility houses many interesting displays and exhibits.

Hollenbeck Honey-Cliff and Margaret Hollenbeck produce, process, and sell 50,000 pounds of honey per year. Sales are both retail and on wholesale markets.

KCS Angus Ranch-A premier Angus operation recently relocating to North East Missouri from Montana. Cattle sales on the farm attract buyer's nation wide.

Superior Truck Services-Started in his fathers farm shop, Chad and his wife Mackenzie have recently built a state of the art truck repair business specializing in heavy duty trucks.

Brubaker's Sunny Side Dairy-A progressive efficient family run dairy. The Brubakers are currently milking approximately 100 head of cows.
